Colleagues,

I am sure you are all keeping up to date regarding the ongoing discussions on COVID-19. A number of you have reached out to me regarding running sporting events and programs. We continue to take advice from the Department of Health and State Governments and have a number of links for you to keep updated.

The ASC is taking a planned and precautionary approach to managing the spread of COVID-19, which is in line with the [latest national health advice](#). A joint AIS and Sport Australia subcommittee has been stood up to work through the phases of the pandemic plan as events unfold and I will keep you updated as soon as I am able.

Regards,
Rob
