

Hi Roger,

Thank you for the query about putting your Public Liability Insurance on hold due to COVID 19 (Coronavirus).

Typically, your policy is set up for a specific period e.g. 12 months and unfortunately, we do not have the ability to place cover on hold. However, you may qualify for an extension to the Sportscover Policy should you meet the required criteria. This extension is for up to 3 months additional cover at nil charge. Please reply here to this email if you wish to apply for this extension.

We have attached our Frequently Asked Questions for your review.

#### **Additional Ideas**

Most business owners are looking at creative ways to keep their businesses going through this challenging time.

Have you considered;

1. Running online tutorial webinars for your existing members.

We are pleased to confirm that your insurer Sportscover, has agreed to provide cover for the above activity during this pandemic.

Should you have any queries on the above, please do not hesitate to contact me on below.

Kind Regards,
